Golden Sun

Great, glorious, golden sun,
Shine down on me today!
You are the life of all this earth
You and your magic ray.

You are the life of bird and plant,
All must depend on you
Sine down, great sun, the whole day long!
Shine from heaven's blue.

And I will welcome your golden rays,
For you mean life to me,
And you mean happiness and health,
Strength and energy.

Shine down, great sun, on flower and field
And never say goodbye,
Forever and ever give us your light
From out the wide, blue sky.
